

FOR IMMEDIATE RELEASE

July 5, 2006

RSI goes on the Road with the DevConnect Program for the Avaya SMB Applications Road Show 2006.

RSI is pleased to join the Avaya DevConnect Program and the Avaya SMB Application Road Show 2006. RSI will be demonstrating how SMB customers can benefit from RSI's portfolio of communication management solutions.

Shadow CMS - Fully scalable solution providing sophisticated CDR reports allowing administrators to forecast, monitor and allocate communications management expenses. Shadow gives managers metrics for facility planning, customer service, and has accurate bill back capabilities.

Revolution Web Call Accounting – The most dynamic 100% browser based communications solution available. Revolution Web can be used across many vertical markets including general business offices, hospitals, universities and organizations that need to allocate telecom costs to various individuals, departments or cost centers. It can also be used to monitor telephone productivity of each employee in the company.

Visual Rapport – a PC console that allows users to have a real-time view of employee telephone statuses. Visual Rapport also features desktop dialing capabilities, instant messaging, e-mail, screen pop, call logging and file transfer all under one roof.

RSI will be visiting the following locations with the Avaya SMB applications Road Show:

Basking Ridge	NY/NJ	July 17 th
Boston	MA	July 19 th
Ft. Lauderdale	FL	July 21 st
Chicago	IL	July 24 th
Los Angeles	CA	July 26 th
Dallas	TX	July 28 th
